> "Dear Groww Team, I would like to share my feedback regarding your intraday brokerage charges. I request you to consider reducing the intraday brokerage charges or introducing a more affordable pricing plan. A lower brokerage structure would greatly benefit your users and encourage higher trading activity on your platform."

> "useless app, very difficult too analyze stocks. Also my Demat account could not be added too Income tax portal. Your helpline always remains busy, it seems yo have no champions, always sleeping, no remedy. I feel trapped in your app, no solutions yet. Two factor authentication is not in your app, different app..."
