- **Voice of the Customer:**

> "It may be the best app but they are so hungry for money that it will cost 50rs to change ur email address ? Pathetic!!! No way they convinced me to uninstall the app"

> "bad experience with customer service no response poor service"

> "too bad ? customer care not conect, and too much charges, false charges add ,"

3. Withdrawals

- **Volume:** 15 reviews | **Rating:** 2.2 / 5.0

- **Voice of the Customer:**

> "For two days this app has been showing an error while opening the chart and they want you to buy and sell without watching the chart..I have done every possible thing from my side and am still showing an error..even dabba trading broker apps are better than this cheap groww and this is not for the first time something wrong happened with this app.. highly recommend to uninstall this as soon as possible and use some standard broker instead of this."

> "very disappointed! Platform and internal charges is too high. Always deduct balance every time you buy or sell, even after a minute... ????"

> "LIC OFS shares did not get credited even though applied before 2 pm and account had that much money"
