- **Voice of the Customer:**

> "ALERT notification not working. other notification coming in groww but not alerts it's enabled in setting but not coming it's happening again"

> "Groww UI is good and simple for new users. The app has introduced many updated features over time. However, I am giving 1 star because of poor customer support. Whenever you raise a ticket, customer support asks for the same information again and again. Repeating details 2?3 times is understandable, but asking for the same information 5+ times is frustrating. Additionally, representatives often do not answer the actual questions and instead provide random or irrelevant responses."

> "+INDIA GOVT CRIMINALS, RETURN THE DEVICE, ? IED INTERNAL EXPLOSIVE REMOTE DEVICES, +APPS CAN TRIGGER ?... NEFARIOUS FAMILIES OF CRIMINALS. SALES TAX AMAZON USA INDIA, FLIPKART INDIA SINGAPORE, AIRTEL BLACK, RELIANCE JIONET UK INDIA,..... MICROSOFT APPLE..... ."

> "third class credit app and process fees too much costly and too much high interest rate"

> "the most pathetic website for novices like me...they keep on refunding my money saying that the stock price is more even though I have added money into my account for this purpose...I also am unable to sell my shares because none of their agents respond to my chat queries..they close the chat even though I say I am not satisfied...I don't know how to get out of this....cheee"

3. Payments

- **Volume:** 14 reviews | **Rating:** 2.79 / 5.0

- **Voice of the Customer:**

> "I didn't receive my money yet. I checked my bank statement and everything. I tried to contact support team and everyone is saying wait 48 hrs since 6 May and today is 18 May. And my money is invested in Mutual fund they are saying we sent money. I tried everything I didn't receive my funds..."

> "I am facing significant difficulties in correcting my name on my Groww account. Even the customer support representatives are giving conflicting information?telling me to fill out a form and mail it to their office, and stating that the name change process will take 10 to 15 days. I earnestly request Groww to introduce an online option for name changes so that users do not have to go through such hassle. I also hold an account with Angle One, where my name was successfully updated online 1 hour"

> "negative rating. ZERO STAR.Bad experience. when am providing all the proof perfectly and when my 2 mutual fund has changed to my new bank account then why one of my mutual fund is not changing it."
