USER-REPORTED PAIN POINTS

|                                                                                                                                                           |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| "improve customer care"                                                                                                                                   |
| "poor customer support"                                                                                                                                   |
| "pathentic customer service. on chat no reply/ no resolution/ no response. if you call some agent delete call and not callback. few persons answer call." |

RECOMMENDED SPRINT ITEMS

- 1 Audit document compression logic
- 2 Fix OTP auto-read failures
