USER-REPORTED PAIN POINTS

"My app is not opening since many days why??? please help"

"worst costumer care support"

"Worst customer support experience. It has been several days, and my account activation issue is still unresolved despite raising the query. There is no proper resolution or satisfactory response from the support team. Very disappointing service and a waste of time. I expected better support and a quick resolution. Not recommended until they improve their customer service."

RECOMMENDED SPRINT ITEMS

1. Audit document compression logic
