REAL USER VOICES TO UNDERSTAND

"very third class service their team is very poor and untrained even cant understand basic queries and also not having physicall office its very difficult to solved basic queries. i am very tired with this brocker.Never open dmat in grow .... my ticket id 28036628 and i am struggling since 20 days"

"very very poor customer support. After 3 months taking to technical support team tired and uninstall app."

"Extremely disappointed with the bond investment service on Groww. There is zero customer support or assistant guidance provided after purchasing bonds. For financial instruments like bonds, reliable support is crucial, but their service is non-existent. Highly regret this decision and strongly advise everyone to avoid buying bonds through Groww!"
