USER-REPORTED PAIN POINTS

- "When I filled the details then groww debited 0.01 inr .This is very unsatisfied ??"
- "withdrawal process very worst not a given 24 hours payment"
- "The final amount changes after the order is executed. Previously, the final amount was displayed upfront, but now the amount is adjusted after execution, causing the Wallet balance to show a negative amount. This feels misleading and unethical."

RECOMMENDED SPRINT ITEMS

- 1 Audit document compression logic
- 2 Fix OTP auto-read failures
